PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On April 30, 2009 (the "Petition Date"), Old Carco LLC (f/k/a Chrysler LLC) and 24 of its affiliated Debtors filed voluntary petitions under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The remaining Debtor, Alpha Holding L.P., commenced its bankruptcy case by filing a voluntary petition with the Bankruptcy Court on May 19, 2009.

2. Old Carco LLC (f/k/a Chrysler LLC) and its Debtor subsidiaries; Fiat S.p.A ("Fiat"); and Chrysler Group LLC (f/k/a New CarCo Acquisition LLC) (the "Purchaser"), a Delaware limited liability company formed by Fiat, entered into a Master Transaction Agreement, dated as of April 30, 2009 (the "Purchase Agreement"), that contemplated a set of related transactions for the sale of substantially all of the Debtors' tangible, intangible and operating assets, defined as the "Purchased Assets" in Section 2.06 of the Purchase Agreement, subject to higher and better offers made pursuant to the Bidding Procedures (as defined below).

3. On May 3, 2009 and May 22, 2009, the Debtors filed motions with the Bankruptcy Court (Docket Nos. 190 and 1742) (collectively, the "Sale Motion") seeking, among other things, (a) authority to sell substantially all of the Debtors' assets free and clear of all liens, claims, interests and encumbrances to the Purchaser or another bidder (the "Sale Transaction"); (b) approval of certain procedures (the "Bidding Procedures") for the solicitation of competing bids with respect to the Sale Transaction; (c) authority to assume and assign certain executory contracts and unexpired leases in connection with the Sale Transaction; (d) approval of that certain settlement agreement between the Purchaser and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America to be executed at the

closing of the Sale Transaction; and (e) scheduling of a final hearing with the Bankruptcy Court for approval of the Sale Transaction.

4. A hearing on the Sale Motion was held before the Bankruptcy Court on May 1, 4 and 5, 2009, after which the Bankruptcy Court entered an order (Docket No. 492) (the "Bidding Procedures Order"), among other things, approving certain procedures (the "Contract Procedures") establishing a process for (a) the assumption of the Designated Agreements (as defined below) by the Debtors and the assignment of these agreements to the Purchaser, (b) the determination of the amounts necessary to cure defaults under the Designated Agreements (the "Cure Costs") and (c) the resolution of other disputes in connection with the assumption and assignment of the Designated Agreements pursuant to section 365 of the Bankruptcy Code.

5. Subsequently, on June 1, 2009, the Bankruptcy Court entered an order (Docket No. 3232) approving the sale of the Purchased Assets to the Purchaser. On June 10, 2009 (the "Closing Date"), the Debtors consummated the sale of the Purchased Assets to the Purchaser.

6. In connection with the sale, the Contract Procedures require the Debtors to file with the Bankruptcy Court and serve on each non-debtor counterparty (each, a "Non-Debtor Counterparty") to an executory contract or unexpired lease with any of the Debtors that the Debtors may assume and assign to the Purchaser (the "Designated Agreements"), a notice of assumption and assignment, the form of which is attached to hereto as **Annex A** (the "Assignment Notice").

7. Consistent with the Contract Procedures, attached hereto as **Annex B**, is a schedule identifying (a) certain agreements that the Debtors have identified as Designated

Agreements that they intend to assume and assign to the Purchaser and (b) the corresponding Cure Costs under such Designated Agreements as of April 30, 2009 (the "Assignment and Cure Schedule"). The Assignment Notice, along with the relevant portion of the Assignment and Cure Schedule, has been or will be served on each of the Non-Debtor Counterparties in accordance with the Contract Procedures. The Assignment and Cure Schedule is subject to the terms and conditions of the Contract Procedures.

8. In accordance with Section 2.10 of the Purchase Agreement and paragraph 19(c) of the Bidding Procedures Order, the Debtors may, at the Purchaser's request or with the Purchaser's consent, designate, up to the Agreement Designation Deadline (as defined below), additional executory contracts and unexpired leases as agreements to be assumed by the Debtors and assigned to the Purchaser pursuant to the Purchase Agreement (collectively, the "Additional Designated Agreements"). As used herein the "Agreement Designation Deadline" means, as applicable, (a) 30 days after the Closing Date with respect to the standard uniform dealership agreements in the form of the Chrysler Corporation Sales and Service Agreement, as well as agreements in the form of the Chrysler Direct Dealer Agreement; (b) 60 days after the Closing Date for executory contracts and unexpired leases with the Debtors' production suppliers; and (c) 90 days after the Closing Date for all other agreements. In accordance with the Contract Procedures, the Debtors will file additional Assignment and Cure Schedules with the Bankruptcy Court and serve additional Assumption Notices on applicable Non-Debtor Counterparties to the extent any executory contract or unexpired leases are designated to be Additional Designated Agreements.

9. The inclusion of any document on the list of Designated Agreements contained in the Assignment and Cure Schedules or an Assumption Notice shall not constitute or

be deemed to be a determination or admission by the Debtors or the Purchaser that such document is, in fact, an executory contract or unexpired lease within the meaning of the Bankruptcy Code, and all rights with respect thereto being expressly reserved.

10. This Notice is qualified in its entirety by the Contract Procedures set forth in the Bidding Procedures Order, and Non-Debtor Counterparties are encouraged to read the Contract Procedures in their entirety.

Subsequently, on June 1, 2009, the Bankruptcy Court entered an order (Docket No. 3232) approving the sale of the Purchased Assets to the Purchaser (the "Sale Order"). On June 10, 2009, (the "Closing Date"), the Debtors consummated the sale of the Purchased Assets to the Purchaser.

3. This Notice is provided to inform you of the Debtors' intent to assume and assign to the Purchaser certain executory contracts and/or unexpired leases. - (e) Resolution of Objections; Section 365 Hearing. Upon the filing of a Section 365 Objection (i) challenging the ability of the Debtors to assume or assign the Designated Agreement (a "Disputed Designation") or (ii) asserting a cure amount higher than the proposed Cure Costs indicated on **Exhibit A** annexed hereto (the "Disputed Cure Costs"), the Debtors, the Purchaser and the objecting Non-Debtor Counterparty shall meet and confer in good faith to attempt to resolve any such objection without Bankruptcy Court intervention. If any of the Debtors, the Non-Debtor Counterparty or the Purchaser determine that the objection cannot be resolved without judicial intervention, then the determination of the assumption and assignment of the Disputed Designation and/or the amount to be paid under section 365 of the Bankruptcy Code with respect to the Disputed

Cure Costs will be determined by the Bankruptcy Court at an omnibus hearing established for such purpose that is on a date not less than ten days after the service of such objection or such other date as determined by the Bankruptcy Court (the "Section 365 Hearing"), unless the Debtors, the Purchaser and the Non-Debtor Counterparty to the Designated Agreement in dispute agree otherwise. Unless otherwise agreed by the parties, the Section 365 Hearing to consider objections relating to the Designated Agreement(s) identified on the attached Exhibit A shall be conducted on **September 24, 2009 at 10:00 a.m., Eastern Time**, at the United States Bankruptcy Court for the Southern District of New York, Alexander Hamilton Custom House, Courtroom 523, One Bowling Green, New York, New York 10004, before the Honorable Arthur J. Gonzalez, United States Bankruptcy Judge. If the Bankruptcy Court determines at a Section 365 Hearing that the Designated Agreement cannot be assumed and assigned, or establishes Cure Costs that the Purchaser is not willing to pay, then such executory contract or unexpired lease shall no longer be considered a Designated Agreement.

- (f) Failure to Object; Consent to Assumption and Assignment. Unless a Section 365 Objection is filed and served before the Section 365 Objection Deadline, all parties shall be deemed to have consented to such Cure Costs and the assumption and assignment of such Designated Agreements, and such party shall be forever barred from objecting to the Cure Costs or such assumption and assignment and from asserting any additional cure or other amounts against the Debtors, their estates or the Purchaser.
- (g) Resolution of Assumption/Assignment Issues. If the Non-Debtor Counterparty to a Designated Agreement fails to timely assert a Section 365 Objection as described in paragraph (d) above, or upon the resolution of any timely Section 365 Objection by agreement of the parties or order of the Bankruptcy Court approving an assumption and assignment, such Designated Agreement shall be deemed to be assumed by the Debtors and assigned to the Purchaser and the proposed Cure Cost related to such Designated Agreement shall be established and approved in all respects, subject to the conditions set forth in paragraph (j) below.
- (h) Additional Contract Designations. In accordance with Section 2.10 of the Purchase Agreement, the Debtors may, at the Purchaser's request or with the Purchaser's consent, designate, up to the Agreement Designation Deadline, additional executory contracts and unexpired leases as agreements to be assumed by the Debtors and assigned to the Purchaser pursuant to the Purchase Agreement (the "Additional Designated Agreements"). As used herein the "Agreement Designation Deadline" means, as applicable, (i) 30 days after the Closing Date with respect to certain agreements with the Debtors' U.S. dealers, (ii) 60 days after the Closing Date for executory contracts and unexpired leases with the Debtors' production suppliers and (iii) 90 days after the Closing Date for all other agreements. Upon determining that a specific executory contract or unexpired lease, or a group thereof, are Additional Designated Agreements, the Debtors, at the Purchaser's request, shall serve notice on each of the Non-Debtor Counterparties to such Additional Designated Agreements and their Counsel of Record, indicating (i) that the notice recipient is a Non-Debtor Counterparty to one or more executory contracts or unexpired leases with the Debtors that the Debtors intend to assume and assign to the Purchaser and (ii) the corresponding Cure Cost under the Additional Designated

Agreements as of April 30, 2009; provided, that such Assignment Notice shall in no way limit such Non-Debtor Counterparty's entitlement to Cure Costs accruing during the period after April 30, 2009.

- (i) Purchaser Confirmation Notice. At any time through the Agreement Designation Deadline, the Purchaser may serve on all applicable Non-Debtor Counterparties a notice (a "Confirmation Notice") indicating those Designated Agreements with respect to which the Purchaser has made a final determination to take assignment of a Designated Agreement (each, a "Confirmed Agreement"). Until a Designated Agreement is listed as a Confirmed Agreement on a Confirmation Notice, it shall not be considered to be either assumed or assigned and shall remain subject to assumption, rejection or redesignation hereunder.
- (j) Conditions on Assumption and Assignment. Please read **Exhibit A** carefully. In some cases, **Exhibit A** identifies additional terms or conditions of assumption and assignment with respect to a particular Designated Agreement. Subject to the satisfaction of conditions in paragraph (g) above to address any cure or assignment disputes, the Debtors shall be deemed to have assumed and assigned to the Purchaser each of the Designated Agreements as of the date of and effective only upon the Closing Date. Assumption and assignment of the Designated Agreements also is subject to the Purchaser's rights set forth in paragraphs (h) and (i) above. The Purchaser shall have no rights in and to a particular Designated Agreement until such time as the particular Designated Agreement has been identified by the Purchaser as a Confirmed Agreement and is assumed and assigned in accordance with the procedures set forth herein. Once assumed and assigned as a Confirmed Agreement under these Contract Procedures, a Designated Agreement is not subject to rejection under section 365 of the Bankruptcy Code. Absent the satisfaction of the conditions to assumption and assignment described herein (including the Purchaser's identification of an agreement as a Confirmed Agreement), each of the Designated Agreements shall neither be deemed assumed nor assigned and shall in all respects be subject to further administration under the Bankruptcy Code.
- (k) Post-Closing Assurances. From and after the Closing Date through the applicable Agreement Designation Deadline, Non-Debtor Counterparties may serve a written request on the Debtors and the Purchaser for a final determination of the assumption or rejection of its executory contracts and unexpired leases. Absent a favorable response within ten days, the Non-Debtor Counterparty may file a motion to compel assumption or rejection of such agreement, which may be heard on ten days' notice, subject to the Court's availability; provided, however, that in the event that a Non-Debtor Counterparty believes that it requires a more expeditious decision regarding assumption or rejection of its executory contract or unexpired lease, such Non-Debtor Counterparty shall be free to seek expedited relief from the Court, without regard to the ten-day periods referenced herein but subject to the legal standards and requirements applicable to requests for expedited consideration, provided further that in such event the counterparty shall give as much advance notice as reasonably practicable under the circumstances to the Debtors and the Purchaser. For purposes of this paragraph, the Debtors and the Purchaser shall be contacted at the addresses identified in paragraph (d) above.

- (l) Cure Payments. Except as may otherwise be agreed to by the parties to a Designated Agreement, the defaults under the Designated Agreements that must be cured in accordance with section 365(b) of the Bankruptcy Code shall be cured as follows: the Purchaser shall pay all Cure Costs relating to an assumed executory contract or unexpired lease within ten days after the latest of: (i) the Closing Date or; (ii) the date on which such executory contract or unexpired lease is deemed assumed and assigned, in accordance with subparagraph (j) of these Contract Procedures; or (iii) with respect to Dispute Cure Costs, the date the amount thereof is finally determined.
- (m) Rights Pending Assumption or Rejection. Nothing in these Contract Procedures limits, restricts or expands the rights of parties to executory contracts and unexpired leases pending assumption or rejection, including any rights to seek further relief from the Bankruptcy Court (including motions to compel a prompt final decision on assumption or rejection), or the rights of other parties in response to such requests.
- (n) Filing of Final List of Confirmed Agreements. As soon as reasonably practicable after the Agreement Designation Deadline, the Debtors shall file with the Court a final schedule indicating all Confirmed Agreements and the proposed Cure Costs relating to each Confirmed Agreement scheduled therein.

4. The inclusion of any document on the list of Designated Agreements shall not constitute or be deemed to be a determination or admission by the Debtors or the Purchaser that such document is, in fact, an executory contract or unexpired lease within the meaning of the Bankruptcy Code, and all rights with respect thereto being expressly reserved.

5. Questions or inquiries relating to this Notice may be directed to the Chrysler Restructuring Hotline at +1-877-271-1568 (for U.S. and Canadian callers) and +1-503-597-7708 (for International callers outside the U.S. and Canada).

ADDENDUM

The executory contracts and unexpired leases listed on this Annex B are hereby designated for assumption and assignment to the Purchaser in accordance with, and pursuant to, (1) section 365 of the Bankruptcy Code and (2) the terms and conditions of the Bidding Procedures Order.¹

The Debtors are hereby designating all of the agreements identified on Annex B for assumption and assignment (any such agreement designated for assumption and assignment, a "Designated Agreement"). Unless otherwise stated on this Annex B, Designated Agreements include all related modifications, amendments, supplements, addenda and restatements thereof, related memoranda of understanding, ancillary agreements thereto and any and all similar agreements.

Each contract or lease listed on this Annex B will be assumed and assigned to the Purchaser only to the extent that any such contract or lease constitutes an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code.

The identified Cure Costs represent the Cure Costs for each particular Designated Agreement. Prior to payment of the Cure Costs in accordance with the terms of the Bidding Procedures Order, the Cure Costs will be reduced by the aggregate amount of any payments made by the Debtors on account of pre-Petition Date claims against the Debtors. To the extent applicable, the Cure Costs may be adjusted to account for changes in applicable currency exchange rates. Generally, the Purchaser will make payment upon Cure Costs for Designated Agreements that are the subject of a Confirmation Notice in accordance with the terms of the Bidding Procedures Order.

Capitalized terms used but not defined in this Addendum shall have the meanings given to them in the accompanying Assignment Notice.
